# PROGRAM COMMITTEE

## General Co-chairs

- **William A. Gruver**  
  Simon Fraser University  
  CAN
- **Vladimír Mařík**  
  Czech Technical University in Prague  
  CZ
- **Duncan McFarlane**  
  University of Cambridge  
  UK

## Track A - Collective Robotics and Human/Robot Interaction

- **Aarne Halme**  
  Helsinki University of Technology  
  FIN
- **Libor Přeučil**  
  Czech Technical University in Prague  
  CZ
- **Gary Toth**  
  Office of Naval Research  
  USA
- **Shyi-Ming Chen**  
  National Taiwan University of Science and Technology  
  TW
- **Henrik Iskov Christensen**  
  Royal Institute of Technology  
  SE
- **Václav Hlaváč**  
  Czech Technical University in Prague  
  CZ
- **Toishio Fukuda**  
  Nagoya University  
  JP
- **Ervin Prassler**  
  Fraunhofer Institute-AIS  
  DE
- **Hubert Roth**  
  Siegen University  
  DE
- **Miguel Salichs**  
  Universidad Carlos III de Madrid  
  ES
- **Klaus Schilling**  
  Julius Maximilian University  
  DE
- **Mika Vainio**  
  Helsinki University of Technology  
  FIN
- **Kimon Valavanis**  
  University of South Florida  
  USA
- **Mengchu Zhou**  
  New Jersey Institute of Technology  
  USA

## Track B - Industry Applications of Distributed and Agent-Based Systems

- **Robert Brennan**  
  University of Calgary  
  CAN
- **Dilip Kotak**  
  National Research Council  
  CAN
- **Jiří Lažanský**  
  Czech Technical University in Prague  
  CZ
- **Armando Colombo**  
  Schneider Electric GmbH  
  DE
- **Bernard Favre-Bulle**  
  Technical University Wien  
  AT
- **Martyn Fletcher**  
  Agent Oriented Software Ltd.  
  UK
- **Toshiya Kaihara**  
  Kobe University  
  JP
- **Paolo Leitao**  
  Polytechnic Institute of Braganca  
  PT
- **Francesco Maturana**  
  Rockwell Automation  
  USA
- **Dorian Sabaz**  
  Intelligent Robotics Corporation  
  CAN
- **Leonid Sheremetov**  
  Mexican Oil Institute  
  MX
- **Thomas Strasser**  
  Profactor  
  AT
- **Paul Valckeniers**  
  Katholieke Universiteit Leuven  
  BE
- **Pavel Vrba**  
  Rockwell Automation Research Center Prague  
  CZ

---

x
Track C - Knowledge Systems for Coalition Operations

Jeff Bradshaw            Institute for Human & Machine Cognition       USA
Michal Pěchouček         Czech Technical University in Prague          CZ
Niranjan Suri            University of West Florida                   USA
Austin Tate              University of Edinburgh                          UK
Scott Fouse              ISX Corporation                              USA
Nort Fowler              Air Force Research Laboratory                   USA
Vladimir Gorodetski       St. Petersburg Institute for Informatics and Automation, RAS RU
Jan Jelinek              Honeywell                                    USA
Vijay Kowtha             Office of Naval Research                        USA
James Lawton             Air Force Research Laboratory                    USA
Paul Losiewicz           European Office of Aerospace Research & Development USA
Richard Metzger           Air Force Research Laboratory                    USA
Martin Rehák              Czech Technical University in Prague             CZ

Special Session R - Role-Based Collaboration

Haibin Zhu               Nipissing University                           CAN
Giacomo Cabri            Universita di Modena                          IT

Special Session S - Autonomic and Situation-Aware Communication Services

Fabio Bellifemine        Telecom Italia                              IT
