Conference Chairs and Committees

Honorary Chair
Ian Foster, Argonne National Lab and University of Chicago, USA

Honorary Vice Chair
Ah Chung Tsoi, Australian Research Council, Australia

General Chairs
Raj Buyya, GRIDS Lab, University of Melbourne, Australia
Ron Perrott, Belfast e-Science Centre, Queen’s University, UK

Program Chair
Heinz Stockinger, University of Vienna, Austria

Program Vice-Chairs
David Abramson, Monash University, Melbourne, Australia
David Anderson, University of California at Berkeley, USA
Geoffrey Fox, Indiana University, USA
Hai Jin, Huazhong University of Science and Technology, China
Ed Seidel, LSU Centre for Computation and Technology, USA

Workshops Chair
Mark Baker, University of Portsmouth, UK

Industry Track Chair
Wolfgang Gentzsch, MCNC Grid Computing, USA

Poster Chair
Paul Coddington, University of Adelaide, Australia

Web Chair
Jia Yu, University of Melbourne, Australia

Publicity Chairs
Yoshio Tanaka (Asia-Pacific), AIST, Japan
Bruno Schulze (South America), LNCC, Brazil
Radha Nandkumar (North America), NCSA/UIUC, USA
Bernie Boyle (Europe), Belfast e-Science Centre, Queen’s Univ., UK
Haresh Bhatt (Indian subcontinent), Indian Space Research Organization, India

Program Committee
Arshad Ali, National University of Science and Technology, Pakistan
Greg Astfalk, Hewlett-Packard (HP), USA
Mark Baker, University of Portsmouth, UK
Dheeraj Bhardwaj, Indian Institute of Technology, India
Marian Bubak, Krakow University of Science and Technology, Poland
Paul Coddington, University of Adelaide, Australia
John Darlington, Imperial College London, UK
Susumu Date, Osaka University, Japan
Flavia Donno, Italian Institute for Nuclear Research (INFN), Italy
Thomas Fahringer, University of Innsbruck, Austria
Henry Gardner, Australian National University, Australia
Steering Committee

Raj Buyya, GRIDS Lab, University of Melbourne, Australia
Ian Foster, Argonne National Lab and University of Chicago, USA
Tony Hey, Microsoft Corporation, USA
Geoffrey Fox, Indiana University, USA
Ron Perrott, Belfast e-Science Centre, Queen’s University, UK
Heinz Stockinger, University of Vienna, Austria

e-Science/ISSNIP Joint Chairs

Raj Buyya, Dept. of Computer Science and Software Engineering, University of Melbourne, Australia
M Palaniswami, Dept. of Electrical Engineering, University of Melbourne, Australia
