KAUST Discovery Scholarship

Full scholarships for science and technology students

The King Abdullah University of Science and Technology (KAUST), a 21st century graduate-level, research university, is offering scholarships for future leaders in science, engineering, and technology.

The benefits of the KAUST Discovery Scholarship include:
• Full tuition at current institution
• Living stipend, book and computer allowance
• Upon graduation, admission and full scholarship for the KAUST master's degree program at the University's Red Sea campus

The KAUST campus opens in September 2009. Highly talented students with one to three years remaining in first university degree programs can apply now.

Visit www.kaust.edu.sa/discovery, or email scholarships@kaust.edu.sa.
