If there was no error message in response to viewing this page, then the Acrobat 5 search index for this CDROM has been successfully loaded.

You can now perform keyword searches using the SEARCH bookmark on the left side of the screen, or using the EDIT / SEARCH menu item of Adobe Reader 5.

Please use the bookmarks on the left to continue navigating this CDROM.

Each time you start Acrobat Reader 5, you will need to go through this same process to load the Acrobat 5 search index.

Each time you view the Welcome page, you may see an error message about the search index, even after you have successfully loaded the Acrobat 5 search index. You should ignore the error message.
