Citation Format

If you wish to cite your paper in these Proceedings, the publisher recommends the following format. Note that the italicized portion could be bold or underlined. There are no page numbers on the CD/ROM, so the citation specifies how many pages in length of the paper.

Electronic Dissemination

If you wish to display or disseminate your paper electronically, the publisher refers you to section 8.1.10A of the IEEE Operations Manual. Some relevant portions of this policy are shown below.
