Welcome from the General Chairs

Welcome to the 2008 International Conference on Convergence and Hybrid Information Technology (ICHIT 2008). On behalf of the conference committees, we thank you for your participation, and hope that you will enjoy the presentations and social programs offered in this conference.

ICHIT focuses on the various aspects of convergency and hybridization in IT. This is the first event of its kind of a topic of colossal interest, and both the event and topic will develop in years to come. The large turnout and contributions of such a valuable nature confirm that ICHIT meets the needs of the truly interdisciplinary scope of modern research.

We would like to thank the following researchers who kindly accepted to organize special sessions for ICHIT 2008.

1. Dr. Sun Myung Hwang, Daejeon University
2. Dr. Jeom Goo Kim, Nam Seoul University
3. Dr. Eun Ser Lee, Andong National University
4. Dr. Hyun Gon Kim, Mokpo National University
5. Dr. Dong Choon Lee, Howon University

The success of ICHIT 2008 would have not been possible without the huge support from our sponsors and the work of our chairs, program committee members, and these are listed in the following pages.

With best regards,

Looking forward to seeing you at ICHIT 2008,

Geuk Lee
