Acknowledgments

We are deeply grateful to all of the researchers and the reviewers for their patience and critical views of papers. They assisted the Information Visualization community with their expertise and feedbacks to shape this event effectively.

Special thanks go to a dedicated team of organizing and liaison committee members who efficiently helped in shaping Information Visualisation forum. I would like to extend my sincere thanks to our keynote speakers: Prof. Georges Grinstein of University of Massachusetts Lowell, US; Prof. Francis T. Marchese of Pace University, NY, US; Prof. Mao Lin Huang of The University of Technology, Sydney, Australia; Prof. Alan Potkin, Northern Illinois University, US; and Dr Benoît Otjacques of Centre de Recherche Public - Gabriel Lippmann, Luxembourg.

Finally, we would offer sincere thanks to Graphicslink team for their continuous efforts in preparing, organising and handling the conference administration. Colleagues from France at Professor Gilles Venturini of Université François-Rabelais de Tours and Dr Florence Cloppet and Professor Nicole Vincent of Paris Descartes University, France who facilitated the conference days and prior, organising committee are debited for their French hospitality. Appreciation is also due to Lisa O’Conner as always, the Production Editor of IEEE Computer Society Conference Publication Services for high standard editorial production of the Proceedings.
