Program Committee Research Track

Co-Chairs

Gabriele Bavota  Free University of Bolzano-Bozen, Italy
Michaela Greiler  Microsoft, United States of America

Members

Abram Hindle  University of Alberta, Canada
Aiko Yamashita  Oslo and Akershus University College of Applied Sciences, Norway
Alexander Serebrenik  Eindhoven University of Technology, Netherlands
Andy Zaidman  Delft University of Technology, Netherlands
Árpád Beszédes  University of Szeged, Hungary
Bram Adams  École Polytechnique De Montréal, Canada
Chanchal K. Roy  University of Saskatchewan, Canada
Christoph Treude  University of Adelaide, Australia
Cristina Marinescu  Politehnica University Timisoara, Romania
Dan Hao  Peking University, China
Dave Binkley  Loyola University Maryland, United States of America
David Lo  Singapore Management University, Singapore
Dawn Lawrie  Loyola University Maryland, United States of America
Denys Poshyvanyk  College of William and Mary, United States of America
Emily Hill  Drew University, United States of America
Felienne Hermans  Delft University of Technology, Netherlands
Foutse Khomh  École Polytechnique de Montréal, Canada
Giuliano Antoniol  Ecole Polytechnique de Montréal, Canada
James R. Cordy  Queen’s University, Canada
Jens Krinke  University College London, United Kingdom
Jeremy Singer  University of Glasgow, United Kingdom
Jonathan Maletic  Kent State University, United States of America
Juergen Rilling  Concordia University, Canada
Jurgen Vinju  Centrum Wiskunde & Informatica, Netherlands
Katsuro Inoue  Osaka University, Japan
Leon Moonen  Simula Research Laboratory, Norway
Luigi Cerulo  University of Sannio, Italy
Mark Grechanik  University of Illinois at Chicago, United States of America
Mark Harman  University College London, United Kingdom
Massimiliano Di Penta  University of Sannio, Italy
Michael Collard  The University of Akron, United States of America
Paul Anderson  GrammaTech, Inc., United States of America
Philip Mayer  Ludwig-Maximilians-Universität München, Germany
Raghavan Komondoor  Indian Institute of Science, Bangalore, India
Ralf Huuck  Synopsys/UNSW, Australia
Rocco Oliveto  University of Molise, Italy
Rudolf Ferenc  University of Szeged, Hungary
Sonia Haiduc  Florida State University, United States of America
Sunghun Kim  Hong Kong University of Science and Technology, Hong Kong
