Committees

Conference Committee
Steven Homer (Chair), Boston University
Eric Allender, Rutgers University
Joan Feigenbaum, AT&T Bell Laboratories
Juris Hartmanis, Cornell University
Timothy Long, Ohio State University
Luc Longpré, University of Texas at El Paso
Stephen Mahaney, DIMACS
Noam Nisan, Hebrew University
James Royer, Syracuse University
Uwe Schöning, Universität Ulm
Alan Selman, SUNY/Buffalo

Local Arrangements Chair
Ding-Zhu Du
University of Minnesota

Publicity Chair
Luc Longpré
University of Texas at El Paso

Program Committee
Eric Allender (Chair), Rutgers University
Klaus Ambos-Spies, Universität Heidelberg
Lance Fortnow, University of Chicago
Russell Impagliazzo, University of California, San Diego
Ken-I Ko, SUNY/Stony Brook
Johannes Köbler, Universität Ulm
Richard Lipton, Princeton University
Kenneth Regan, SUNY/Buffalo

Acknowledgments
We wish to gratefully acknowledge the fact that DIMACS provided support for the Complexity Day at Rutgers University held in conjunction with the SCT’95 Program Committee meeting. In addition, the Department of Computer Science at the University of Minnesota at Minneapolis graciously provided the necessary space and facilities for this conference. On behalf of the committee members and attendees of SCT’95, we would like to acknowledge the generosity and support provided by these institutions.
