Welcome to SNPD 2017. Welcome to Kanazawa Japan.

The 18th International Conference on Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing (SNPD 2017) is sponsored by the Institute of Electrical and Electronics Engineers (IEEE) and the International Association for Computer and Information Science (ACIS). The purpose of SNPD is to bring together researchers and practitioners from academia, industry, and government to exchange their research ideas and results and to discuss the state of the art in the areas of the conference. In addition, the participants of the conference will have a chance to hear from invited speakers Professor Liz Bacon, Professor of Software Engineering and Deputy Pro Vice-Chancellor, University of Greenwich, UK.

I would like to thank the Conference Chair Teruhisa Hochin, Kyoto Institute of Technology, Japan; the Program Co-Chairs Hiroaki Hirata, Kyoto Institute of Technology, Japan; and Nomiya Hiroki, Kyoto Institute of Technology, Japan; the Local Arrangement Chair Ken Highuchi, University of Fukui, Japan; and the members of the Program Committee for their hard work. And most importantly, we would like to thank all the authors for sharing their ideas and experiences through their outstanding papers contributed to the conference. We hope that SNPD 2017 will be successful and enjoyable to all participants.

SNPD 2017 Conference General Chair

Roger Lee
Central Michigan University, USA
