Message from the Conference Chairs

Welcome to SSNE 2011. Welcome to Seoul National University.

The 1st International Symposium on Software and Network Engineering (SSNE 2011) is sponsored by the International Association for Computer and Information Science (ACIS), and co-sponsored by Seoul National University. The symposium is held at Seoul National University, Seoul, Korea.

The purpose of SSNE is to bring together researchers and practitioners from academia, industry, and government to exchange their research ideas and results and to discuss the state of the art in the areas of the Symposium.

In addition, the participants of the conference will have a chance to hear from renowned invited speaker Dr. Seong-Choon Lee, Head of Network R&D Lab., Korea Telecommunication.

We would like to thank the program co-chairs, Dr. Byeongdo Kang of Daegu University, Korea and Dr. Tokuro Matsuo of Yamagata University, Japan, Dr. Jongseok Lee, the Local Arrangements Chair and the members of the Program Committee for their hard work. And most importantly, we would like to thank all the authors for sharing their ideas and experiences through their outstanding papers contributed to the symposium. I hope that SSNE 2011 will be successful and enjoyable to all participants.
