Welcome Message
from the Conference Chairs
FCST 2011

As Conference Chairs and on behalf of the organizing committee of “The 6th International Conference on Frontier of Computer Science and Technology (FCST-11)”, we would like to welcome you to the conference, and encourage you to enjoy the wonderful sightseeing in Changsha and nearby cities in China.

FCST has become an important conference in the scope of advances in all aspects of computer science and technology. For the first time, the conference has been technically co-sponsored by IEEE and IEEE Computer Society. This year the conference received a large number of submissions. We would like to thank all the organizing committee members and program committee members for their hard work.

We would like to thank Workshop Chairs, Dr. Ching-Hsien (Robert) Hsu, Dr. Jong Hyuk Park, and Dr. Weisong Shi, who have organized 4 symposiums/workshops for the conference. We would also like to thank Ms. Jin Zheng and Ms. Guihua Duan, who managed the finances of the conference and many other details such as hotel and tour reservations. We would like to express our gratitude to Dr. Carlos Becker Westphall, Dr. Yinfeng Wang, Dr. Yizhi Ren, and Prof. Gregorio Martinez, who served as Publicity Chairs. We are indebted to the Steering Chairs, Prof. Minyi Guo and Prof. Hai Jin, and all the steering committee members. We would like to thank our keynote speakers for sharing their visions and insights with us, and all our authors who contributed their papers to the conference, and the organizations that supported the conference, including IEEE and IEEE Computer Society, National Natural Science Foundation of China, and Central South University.

We hope you will find the conference a technically enriching and culturally rewarding experience. Thank you very much for attending.
