Message from the UFirst 2014
Symposium Chairs
UIC-ATC-ScalCom 2014

We are happy to welcome you to the 2014 International Symposium on UbiCom Frontiers - Innovative Research, Systems and Technologies (UFirst-14). The symposium is held in conjunction with the 11th IEEE International Conference on Ubiquitous Intelligence and Computing (IEEE UIC-14), December 09-12, 2014, Bali, Indonesia.

UFirst-14 contains 14 invited papers selected from the ones submitted to the IEEE UIC-14 or ATC-14 main track, and thus all the papers were peer reviewed by members of the IEEE UIC-14 or ATC-14 program committee. The symposium covers a broad range of topics in the field of ubiquitous and intelligent computing, such as models, theorems, systems and applications.

We thank the authors for submitting their works and the members of the UIC-14 and ATC-14 program committees for managing the reviews of the symposium papers in such short time.

Bernady O. Apduhan, Kyushu Sangyo University, Japan
Yan Wang, Macquarie University, Australia
Zhiwen Yu, Northwestern Polytechnical University, China
UFirst 2014 General Chairs

Huansheng Ning, University of Science and Technology Beijing, China
Al-Sakib Khan Pathan, International Islamic University, Malaysia
Mianxiong Dong, National Institute of Information and Communications Technology, Japan
Yuqing Sun, Shandong University, China
Yukikazu Nakamoto, University of Hyogo, Japan
UFirst 2014 Program Chairs
