Message from the SWC 2015 Joint Executive/Hosting Chair

Welcome to the 2015 Smart World Congress (SWC 2015), held in Beijing, China, August 10–14, 2015.

SWC 2015 includes five IEEE conferences (the 12th IEEE International Conference on Ubiquitous Intelligence and Computing (UIC 2015), the 12th IEEE International Conference on Advanced and Trusted Computing (ATC 2015), and The 15th IEEE International Conference on Scalable Computing and Communications (ScalCom 2015), the IEEE International Conference on Cloud and Big Data Computing (CBDCom 2015), the IEEE International Conference on Internet of People (IoP 2015) ), one Symposium (the 7th International Symposium on UbiCom Frontiers - Innovative Research, Systems and Technologies (UFirst 2015)), 12 workshops, China-Japan Object’s Social Modeling Bilateral Seminar, TOP10Cs, IEEE Volunteer Training Workshop, and 20+ special issues.

SWC 2015 provides a high-profile, leading-edge framework for researchers, engineers, and practitioners to present the state-of-art advances and innovations about Cybermatics and Smart Worlds.

We sincerely thank all organizers/chairs from conferences, summit, panel, forum and workshops, keynotes speakers, invited speakers, authors, reviewers, volunteers, and all who contribute to the congress.

We sincerely thank IEEE, IEEE Computer Society, IEEE Technical Committee on Scalable Computing (TCSC), Ministry of Education of China, Natural Science Foundation of China (NSFC), Beijing Municipality Science and Technology Committees, China Computer Federation, Tsinghua Science and Technology, Science China Press for supports on the success of the 2015 Smart World Congress.

Huansheng Ning, IEEE Senior Member, University of Science and Technology Beijing, China
