Contents

Frontmatter
Preface ................................................................. iii

User-Centric RE
User-Oriented Requirements Engineering
  Alistair Sutcliffe — University of Manchester, UK ................................................ 1
User-Centered-Design in Agile RE through an On-Site User Experience Consultant
  Edna Kropp and Kolja Koischwitz — akquinet, Germany ........................................ 9

User Studies
Accessibility Requirements for Blind and Visually Impaired in a Regional Context: An Exploratory Study
  Mexhid Ferati, Bujar Raufi, Arianit Kurti, and Bahtijar Vogel — South East European University, Macedonia; Linnaeus University, Sweden .......................................................... 13
Design Science Research Based Blended Approach for Usability Driven Requirements Gathering and Application Development
  Lasantha De Silva, Jeevani Goonetillake, Gihan Wikramanayake, Athula Ginige, Tamara Ginige, Giuliana Vitiello, Monica Sebillo, Pasquale Di Giovanni, Genoveffa Tortora, and Maurizio Tucci — University of Colombo, Sri Lanka; University of Western Sydney, Australia; Australian Catholic University, Australia; University of Salerno, Italy .......................................................... 17

Interfaces
Analysis of Trends in the Occurrence of Eyeblinks for an Eyeblink Input Interface
  Shogo Matsuno, Naoaki Itakura, Minoru Ohyama, Shoichi Ohi, and Kiyohiko Abe — University of Electro-Communications, Japan; Tokyo Denki University, Japan; Kanto Gakuen University, Japan .................................................. 25
Designing for Usability in 3D Virtual Environments
  William Sawyerr and Mike Hobbs — Anglia Ruskin University, UK .......................... 32

Application in Health
Health in Hand: Putting mHealth Design in Context
  Sara Eriksén, Mattias Georgsson, Malin Hofflander, Lina Nilsson, and Jenny Lundberg — Blekinge Institute of Technology, Sweden; Lund University, Sweden .................................................. 36
Building up a Virtual Community for Home-Based Chronic Diseases Healthcare
  Yan Hu and Guohua Bai — Blekinge Institute of Technology, Sweden ........................ 40
