Organising & Liaison Committee

Visualization
Haim Levkowitz, Institute for Visualization and Perception Research And Graphics Research Laboratory, University of Massachusetts Lowell, USA

Mixed and Virtual Reality
Andrew J. Cowell, Pacific Northwest National Laboratory, USA
Ming Hou, Defence R&D Canada (DRDC) Toronto, Canada
Gui Yun Tian, University of Newcastle upon Tyne, England, UK

Computer Animation, Information Visualisation, and Digital Effects
Mark W. McK.Bannatyne, Purdue University, USA
Jian J. Zhang, Bournemouth University, UK

Computer Animation & Especial Effects Show
Mark W. McK. Bannatyne, Purdue University, USA

Symposium and Gallery of Digital Art
Anna Ursyn, University of Northern Colorado, USA

D-Art 2009 Symposium and Online Gallery of Digital Art Advisory, Programme and reviewing committee:
Anna Ursyn, Chair, University of Northern Colorado, USA
Hans Dehlinger, Emeritus University of Kassel, GE
Dena Elisabeth Eber, Bowling Green State University, OH
Andrea Polli, Hunter College, NYC, University of New Mexico
Marla Schweppe, Rochester Institute of Technology, NY
LiQin Tan, Rutgers University, NJ
James Faure Walker, Kingston University, UK

Symposium of Multimedia and E-learning
Mohammad Dastbaz, University of East London, UK

Computer Games and their applications
Vittorio Scarano, Rosario De Chiara, Ugo Erra, ISISLab, Universita' di Salerno, ITALY

BioMedical Visualization
Chris Moore, Christie Hospital, UK
Feng Dong, University of Bedfordshire, UK

MediViz Advisory and Programme Committee:
Prof Gordon Clapworthy, University of Bedfordshire, UK
Prof R. T. Ritchings, University of Salford, UK
Prof D Burton, The General Engineering Research Institute, Liverpool John Moores University, UK
Dr Bogdan Matuszewski, Applied Digital Signal and Image Processing Laboratory, University of Central Lancashire, UK
Prof C J Moore, Dr Gareth Price and Dr Tom Marchant, Developing Technologies Section- Radiotherapy Physics, North Western Medical Physics Department, Christie Hospital, UK
Prof D R Burton and Dr F Lilley, General Engineering Research Institute, Liverpool John Moores University, UK
Prof Lik Kwan Shark, Dr Bogdan Matuszewski, University of Central Lancashire, Applied Digital Signal and Image Processing Research Centre (ADSIP), UK
Prof B Shariat, LIRIS, Universite Claude Bernard Lyon-1, France

International Conference of Graphical Models and Imaging
Muhammad Sarfraz, Kuwait University, Kuwait

International Conference of Visualization in Built Environment
John.Counsell, Cardiff School of Art & Design, University of Wales Institute, UK
Farzad Khosrowshahi, University of Salford, UK
Richard Laing, The Robert Gordon University, UK
