Acknowledgements

VTS gratefully acknowledges the valuable contributions of the following individuals and institutions in various aspects of the symposium organization:

Brian Brinegar, Purdue University, for his role as web-master of the paper submission, review, and selection website.

Roozbeh Mehrabadi, University of British Columbia, for his role as web-master of the main VTS website.

Maddie Harwood, CEM, Inc., for administrative help with various aspects of the VTS conference.

Srivaths Ravi, Anand Raghunathan, Hans-Joachim Wunderlich, and Yervant Zorian, for their role as site coordinators for the VTS Program Committee paper selection meeting.

Gunter Bartsch, University of Stuttgart, for helping with the coordination of the Stuttgart site.

NEC USA, the University of Stuttgart, and Virage Logic, for hosting the VTS Program Committee paper selection meeting.
