Acknowledgments

VTS gratefully acknowledges the valuable contributions of the following individuals and institutions in various aspects of the symposium organization:

Stefano di Carlo for his role as web-master of the paper submission, review, and selection website.

Maddie Harwood, Bettyanne Eilers and Dana Hutchinson, CEM, Inc., for administrative help with various aspects of the VTS organization.

Srivaths Ravi, Anand Raghunathan, Christian Landrault, and Yervant Zorian, for their role as site coordinators for the VTS Program Committee paper selection meeting.

NEC USA, LIRMM, and Virage Logic, for hosting the VTS Program Committee paper selection meeting.

Ramamurti Chandramouli, Giorgio di Natale, Mick Tegethoff, and Burnie West for their contributions to the publicity of VTS.
