Welcome Message from the Workshop Organizers

The goal of this meeting is to facilitate exchange of ideas and collaborations between researchers from computer science, biology, medicine, mathematics, statistics, physics, and such related sciences, to discuss various aspects of bio and intelligent computing and their applications.

This international workshop collected research papers on the above research issues from all around the world. The collected papers were carefully reviewed by at least 3 reviewers. According to the review results, the acceptance rate was 48 percent.

Many people have kindly helped us prepare and organize the BICom workshop. First, we would like to thank the authors who submitted high quality papers and reviewers who carefully evaluated the submitted papers. We would like to give our special thanks to Profs. Makoto Takizawa and Leonard Barolli, as Steering Committee Chairs of IEEE AINA2011 for their strong encouragement and guidance to organize the workshop. We would like to thank especially AINA2011 General Co-Chairs Profs. Chen Khong Tham, Fatos Xhafa and Winston Seah for their advice and support to make possible organization of HWISE2011. We also, would like to thank Program Committee Co-Chairs of IEEE AINA2011 Profs. Hwee-Pink Tan, David Taniar and Minoru Uehara for their support to HWISE2011. Finally, we would like to thank the Workshops’ Co-Chairs Profs. Chee Wei Ang, Tomoya Enokido, Chunming Rong and Irfan Awan for their help and directions.

We hope you will enjoy the conference and have a great time in Biopolis, Singapore.
