Welcome Message from BICom-2012 International Workshop Co-Chairs

Welcome to the 5-th International Workshop on Bio and Intelligent Computing (BICom-2012), which will be held in conjunction with the 26-th IEEE International Conference on Advanced Information Networking and Applications (IEEE AINA-2012) at Fukuoka Institute of Technology, Fukuoka, Japan during March 26-29, 2012.

The workshop is intended to facilitate exchange of ideas and collaborations between researchers from computer science, biology, medicine, mathematics, statistics, physics, intelligent computing and such related sciences, to discuss various aspects of bio-computing, intelligent computing and their applications.

This international workshop collected research papers on the above research issues from all around the world. Papers collected in this international workshop were carefully reviewed by at least 3 reviewers. According to the review results, the program committee members selected 11 papers to be presented in this workshop.

Many people have kindly helped us to prepare and organize the BICom-2012 workshop. First, we would like to thank the authors who submitted high quality papers and reviewers who carefully evaluated the submitted papers. We would like to give our special thanks to Prof. Makoto Takizawa, as Steering Committee Co-Chair of IEEE AINA-2012 for his strong encouragement and guidance to organize the workshop. We would like to thank especially AINA-2012 General Co-Chairs, PC Co-Chairs and Workshops Co-Chairs for their advices and support to make possible organization of BICom-2012.

Finally, we would like to thanks the Local Organizing Committee of Fukuoka Institute of Technology for excellent arrangement.

We hope you will enjoy the conference and have a great time in Fukuoka, Japan.
