Program Committee

General Chair
Elliot Chikofsky
DMR Group Inc. & Northeastern University
e.chikofsky@computer.org

Program Chairs
Linda Wills
Georgia Institute of Technology
linda.wills@ece.gatech.edu

Ira Baxter
Semantic Designs, Inc.
ibaxter@semdesigns.com

Committee Members
Brenda Baker – Lucent Technologies Bell Laboratories
Paul Bailes – University of Queensland
Keith Bennett – University of Durham
Michael Blaha – OMT Associates
Shawn Bohner – MITRE Corporation
Gerardo Canfora – University of Naples Federico II
Betty Cheng – Michigan State University
Aniello Cimite – University of Naples Federico II
James H. Cross II – Auburn University
Kathi Hogshead Davis – Northern Illinois University
Premkumar Devanbu – AT&T Research
Helen Edwards – University of Sunderland
David Eichmann – University of Houston, Clear Lake
Harald Gall – Vienna University of Technology
Cordell Green – Kestrel Institute
Jean-Luc Hainaut – University of Namur
John Hartman – Ohio State University
Stan Jarzabek – National University of Singapore
W. Lewis Johnson – USC, Information Sciences Institute
Kostas Kontogiannis – University of Toronto
Julio Cesar Leite – Pontifícia Univ do Rio de Janeiro
Mitch Lubars – Scientific & Engineering Software
Larry Markosian – Reasoning Systems
Julia M. McCreary – U.S. Internal Revenue Service
Ettore Merlo – École Polytechnique, University of Montreal
Hausi Muller – University of Victoria
John Mylopoulos – University of Toronto
James Neighbors – Bayfront Technologies
Philip Newcomb – The Software Revolution
Jim Qun Ning – Andersen Consulting
Michael Olsem – USAF Software Technology Support Center
Alex Quilici – University of Hawaii
Howard B. Reuben – Concept Five Technologies
Spencer Rugaber – Georgia Institute of Technology
Harry M. Sneed – Software Engineering Service
Scott Tilley – Software Engineering Institute
Giuseppe Visaggio – University of Bari
Daniel Weise – Microsoft Research
Mark L. Wilson – Naval Surface Warfare Center
Alexander S. Yeh – MITRE Corporation
