Workshop on Natural Language Processing and Ontology Engineering (NLPOE 2010)

WI-IAT 2010 Workshops

Organizers

Zhifang Sui (Peking University, China)
Yao Liu (Institute of Scientific and Technical Information of China, China)

Program Committee Members

Zhifang Sui, Peking University, China
Yao Liu, Institute of Scientific and Technical Information of China, China
Chengzhi Zhang, Institute of Scientific and Technical Information of China, China
Christian Galinski, International Information Centre for Terminology, Austria
Daqing He, University of Pittsburgh, USA
De Zhang, Institute of Scientific and Technical Information of China, China
Donghong Ji, Wuhan University, China
Erhong Yang, Beijing Language and Culture University, China
Fernand Vandamme, Baggage Institute for Knowledge Management, Belgium
Guifa Teng, Agricultural University of Hebei, China
Kun Yu, University of Tokyo, Japan
Hui Wang, National University of Singapore, Singapore
Juanzi Li, Tsinghua University, China
Junfeng Hu, Peking University, China
Jun Zhao, Institute of Automation Chinese Academy of Sciences, China
Lezhong Liu, Muenchen University, Germany
Lin Wang, Baggage Institute for Knowledge Management, Belgium
Mengjie Zhang, Victoria University of Wellington, New Zealand
Peng Jin, Leshan Normal University, China
Qin Lu, Hong Kong Polytechnic University, China
Ru Li, Shanxi University, China
Tzonghan Tsai, Yuan Ze University, China
Weiguang Qu, Nanjing Normal University, China
Xueqiang Lv, Beijing Information Science and Technology University, China
Xinglong Wang, University of Manchester, UK
Yangsen Zhang, Beijing Information Science and Technology University, China
Ye Tian, Encyclopedia of China Publishing House, China
Yuli Wang, Encyclopedia of China Publishing House, China
Zuxu Dai, WuHan Institute of Technology, China
