Welcome to the WISA 2013, the 10th Web Information Systems and Applications Conference. Welcome to SWON 2013 and EGTA 2013, workshops held in conjunction with WISA 2013. As conference chairs, it is a pleasure to welcome you to Yangzhou, China, for the WISA 2013 sponsored by IEEE Computer Society and Chinese Computer Federation. Yangzhou is a historical city in Jiangsu Province, China. It is known for its tourism attractions.

Internet and web have brought the deep effects on our society and made web information system become one of the main popular distributed application systems, which take a more and more important role in information systems of various organizations and enterprises. The rich conference program includes 10 sessions of paper presentations, panel discussions and workshops, and covering many aspects of Internet and Web information and applications. This could not have been possible without the hard work of our excellent Program Co-chairs, Yong Qi, Ling Chen, Lizhen Xu and Yonggong Ren.

The organization of such a conference is not easy, and this is made possible by many people’s hard work. We would like to thank so many organizers, particularly the Publication Chairs, Lin Chen, Nan Yang, Kenin Gao and Yanhui Li; the Publicity Chair, Derong Shen; the Organizing Co-chairs, Chunxiao Xing, and Yun Li. Their hard work is much appreciated.

WISA 2013 is an annual national conference on Web Information Systems and Applications (WISA) sponsored by the Technical Committee of Office Automation of China Computer Federation. Two workshops SWON 2013 and EGTA 2013 are held in conjunction with the main conference. Previous WISA conferences were held in Wuhan (2004), Shenyang (2005), Nanjing (2006), Beijing (2007), Xi’an (2008), Xuzhou (2009), Huhehot (2010), Chongqing (2011), and Haikou (2012). This year, SWON is the 8th workshop on Semantic Web and Ontology while EGTA is the 7th workshop on Electronic Government Technology and Application.

We would like express our appreciation to Yangzhou University. WISA 2013 will be held in Yangzhou this year, and we hope you find the rich program and the outstanding speakers. We also hope that you enjoy yourselves in Yangzhou to renew friendships and make new friends. If you can spare the time, please explore and take advantage of Yangzhou’s and even Jiangsu’s unique and spectacular scenery.
