# Call for Papers

INFOCOM 82  
Data Processing—Data Communications:  
*THE ILLUSORY BOUNDARY*  
Las Vegas, Nevada

Conference & exhibits March 30—April 1, 1982  
Tutorials March 29 & April 2, 1982

First Annual Joint Conference of the  
IEEE Computer and Communications Society

*Sponsored by the Technical Committees for  
Computer Communications of the Societies*

This call for papers solicits abstracts and papers for INFOCOM 82. Authors are invited to submit abstracts and then full papers on aspects of data processing and communication which will enable the conference to explore the increasing synergism between these disciplines. Areas of interest include, but are not limited to:

- |                                   |  |
|-----------------------------------|--|
| <b>Computer Networking</b>        | <b>Multi-Media Communication</b>         |
| <b>Computer-Control Switching</b> | <b>Office Automation</b>                 |
| <b>Multi-Access Communication</b> | <b>Distributed Data Base Systems</b>     |
| <b>Local Networks</b>             | <b>Transaction Services</b>              |
| <b>Concurrent Processing</b>      | <b>Computer Communications Standards</b> |
| <b>Communication Protocols</b>    | <b>Privacy</b>                           |
| <b>Front-End Processing</b>       | <b>Public Networking</b>                 |
| <b>Distributed Processing</b>     |  |

*The schedule for authors is as follows:*

Abstract (2 copies)	May 15, 1981
Full Paper (4 copies)	August 15, 1981
Notification of Acceptance	October 15, 1981
Camera Ready Manuscript due	December 15, 1981

*Submit abstracts and papers to:*  
Dr. Vinton Cerf  
Program Chairman, INFOCOM 82  
DARPA/IPTO  
1400 Wilson Blvd.  
Arlington, Va. 22003  
Telephone: (202) 694-3049

Mail to INFOCOM 82, Box 639, Silver Spring, MD. 20901

I am interested in further information.

I would like to exhibit. Please send me exhibitor information.
