COMPSAC 2015 Symposium on Security, Privacy & Trust in Computing (SEPT)

COMPSAC is the IEEE Signature Conference on Computers, Software, and Applications. It is a major international forum for academia, industry, and government to discuss research results, advancements and future trends in computer and software technologies and applications.

The theme of the 39th COMPSAC is Mobile and Cloud Systems - Challenges and Applications. With the rapidly growing trend in making computation and data both mobile and cloud-based, such systems are being designed and deployed worldwide. However, several challenges arise when they are applied to different domains or across domains. COMPSAC 2015 will provide a platform for in-depth discussion of such challenges in emerging application domains such as smart and connected health, wearable computing, internet-of-things, cyber-physical systems, and smart planet.

Important Dates:
UPDATED: January 27, 2015: Paper submissions
March 15, 2015: Paper notifications
April 28, 2015: Camera-ready version and registration due

CALL FOR PAPERS

Authors are invited to submit original, unpublished research work and novel computer applications in full-paper format. Simultaneous submission to other publication venues is not permitted. The review and selection process for submissions is designed to identify papers that break new ground and provide substantial support for their results and conclusions as significant contributions to the field. Submissions will be selected that represent a major advancement in the subject of the symposia to which they are submitted. Authors of submissions with a limited contribution or scope may be asked to revise their submissions into a more succinct camera-ready format; e.g., workshop paper, fast abstract, or poster to the main conference.

SEPT Organizing Committee
General Chair: Bhavani Thuraisingham, University of Texas at Dallas, USA
Program Chairs: Dianxiang Xu, Boise State University, USA
Hiroki Takakura, Nagoya University, Japan
Steering Chair: Mohammad Zulkernine, Queen's University, Canada
Standing Committee Rep: Elisa Bertino, Purdue University, USA
