Program Committee
This workshop would not have been possible without the expertise and commitment of our program and organizing committee members. We would like to thank each member for their time and effort and help making IWSAWC 2006 a success:

Michael Beigl, University of Karlsruhe, Germany
Christian Decker, University of Karlsruhe, Germany
Masayuki Iwai, KEIO University, Japan
Yoshihiro Kawahara, University of Tokyo, Japan
Nick Korn, Darmstadt University of Technology, Germany
Nicky Korn, Darmstadt University of Technology, Germany
Gerd Kortuem, Lancaster University, UK
Goro Kunito, NTT DoCoMo, Japan
Kristof Van Laerhoven, Lancaster University, UK
Kent Lyons, Georgia Tech, USA
Pedro Jose Marron, University of Stuttgart, Germany
Bernt Schiele, Darmstadt University of Technology, Germany
Albrecht Schmidt, Ludwig-Maximillian-Universität Munich, Germany
Kazunori Takashio, Keio University, Japan
Yasuo Tan, JAIST, Japan
Tsutomu Terada, Osaka University, Japan
Simon Tsang, Telcordia Research, USA
Khai Truong, University of Toronto, Canada

We are especially grateful to Masayuki Iwai for taking care of the submission system. Finally, we would like to thank all authors for their submissions and contributions to the workshop.
