Message from the Conference General Chair
IIAI-AAI 2014

Welcome to AAI 2014. Welcome to Kitakyushu, Japan. The 3rd IIAI International Conference on Advanced Applied Informatics (IIAI-AAI 2014) is sponsored by the International Institute of Applied Informatics, Japan.

The conference is held at Kitakyushu International Conference Center, Kitakyushu, Japan. The purpose of AAI is to bring together researchers and practitioners from academia, industry, and government to exchange their research ideas and results and to discuss the state of the art in the areas of the conference. Four sub-conferences, the 5th International Conference on e-Services and Knowledge Management (ESKM), the 3rd International Conference on Learning Technologies and Learning Environments (LTLE), the 3rd International Conference on Institutional Research and Institutional Management (IRIM), and the 2nd International Conference on Smart Computing and Artificial Intelligence (ICSCAI), are held with the AAI 2014. And also, 12th ACIS International Conference on Software Engineering Research, Management and Applications (ACIS SERA 2014), 1st ACIS International Symposium on Computer Science and Intelligence (ACIS CSI 2014), and 2nd ACIS International Symposium on Applied Computing and Information Technology (ACIS ACIT 2014), are held as collocated conferences. The AAI has general sessions, a poster session, proposed eight special sessions and one workshop. In addition, the participants of the conference will have a chance to hear from renowned invited speakers Prof. Takayuki Ito of Nagoya Institute of Technology, Japan, Prof. Chi-Man Pun of University of Macau, China, Dr. Hidetsugu Kohzaki of Kyoto University, Japan and Prof. Gongzhu Hu of Central Michigan University, USA.

We would like to thank the Program Chair Dr. Masao Mori, the Collocated Conference Chair Dr. Roger Lee, the Local Arrangement Chair Dr. Hiroshi Sakai, the Finance Chair Dr. Tokuro Matsuo, the Special Sessions Chair Tetsuya Nakatoh, the organization staff, and the members of the Program Committee for their hard work. And most importantly, we would like to thank all the authors for sharing their ideas and experiences through their outstanding papers contributed to the conference. I hope that AAI 2014 will be successful and enjoyable to all participants.
