Future of Autonomous Decentralized Systems and Their Applications

Joseph E. Urban
Computer Science and Engineering Department
Arizona State University
Tempe, AZ 85287

In closing this technical meeting, a plenary session is planned for several key individuals to give their perspectives on future directions in terms of applications and technology. This closing plenary panel session includes members from across the spectrum of academia, government, and industry, as well as geographically covering Asia, Europe, and North America. The panelists for this closing plenary session are:

Kinji Mori — Hitachi Ltd., Japan
Raymond Paul — Department of Defense, USA
Radu Popescu-Zeletin — Technical University of Berlin, Germany
Ahmed Tantawy — IBM T.J. Watson Research Center, USA
Stephen Yau — Arizona State University, USA
