Message from the General Co-Chairs
WISA 2015

The 12th Conference on Web Information Systems and Applications--WISA2015 will be held in Jinan on September 11-13, 2015. On behalf of the general assembly of the presidium, please allow me to express my most sincere gratitude to all the contributing authors and express the warmest welcome to all participants. This conference is sponsored by the IEEE Computer Association and the Office Automation Society of China Computer Federation, hosted by Shandong University and co-organized by South China Normal University, Southeast University, and Nanjing University.

Internet and Web have brought deep effects on our society and made Web information system one of the main popular distributed application systems, which takes a more and more important role in information systems of various organizations and enterprises. This conference will revolve around the Internet as well as the Web information and its application, discuss and report in various forms of paper, workshop and related seminar, aimed at the full exchange of relevant forefront of the field theory, technology and the latest achievements, to define the future direction of development.

The conference depends on the joint efforts of organization personnel, especially the program committee chairman Lizhen Xu, Publishing committee chairman Lin Chen and Yanhui Li, the organization committee chairman Lizhen Cui, Zhongmin Yan, etc. Their careful plan and organization effectively guarantee the success of the conference.

WISA is an annual national conference on Web Information Systems and Applications (WISA) sponsored by Office Automation Society of China Computer Federation. Two workshops will be held in conjunction with the main conference: the 10th Workshop on Semantic Web and Ontology (SWON 2015) as well as the 9th Workshop on Electronic Government Technique and Application (EGTA2015). The previous 11 WISA conferences were held in Wuhan (2004), Shenyang (2005), Nanjing (2006), Beijing (2007), Xi’an (2008), Xuzhou(2009), Huhehott(2010), Chongqing(2011), Haikou(2012), Yangzhou(2013) and Tianjin(2014), receiving nearly 1000 submissions at its most.

Finally, I pay high tribute to the people who make a positive contribution for the smooth convening of the conference from all walks of life. Thanks to the program committee and all the reviewers who give rigorous assessment of the conference papers submission! Thanks to the organizing committee and volunteers who provide considerate and enthusiastic service for the meeting from Shandong University!

Welcome to WISA2015!

Baoquan Chen, Shangdong University, China
Baowen Xu, Nanjing University, China
